Dear Joe,

I was talking to John Dunning and Ron Staley recently and they both tell me that you are interested in building up your sports collection. I have listed some of my sports material on the adjoining sheet. Possibly there are some programs that you may be interested in.

I originally started to tape programs off the air in 1957 and am responsible in circulating over 200 JOHNNY DOLLAR and SUSPENSE programs. Maybe you received some of these shows from John Dunning, whom I have been trading with for at least 2 years.

My sports collection consists of more than 2000 reels that include many of the seasonal games of the New York Yankees from 1957 on and many of the New York Mets commencing with their first game of entering as a new franchise in the National League in 1962.

I also have a fair collection of OLD TIME RADIO programs. My prime wants basically is sports material. (World Series Games, Football Games, Boxing Matches, prior to 1957, and etc.) If you know of anyone that can help me out please let me know.

In the meantime, I would like to obtain any material of OLD TIME RADIO. Bill Stern Shows, Screen Guild Theatre's, Lux Radio Theatre's are programs that I lean on at the present.

Joe, please look over my listings. If there is anything that you want kindly let me know and I will be most happy to send it to you. Please advise whether you want 4 track or 2 track recordings and designate brand of tape desired.

Hoping to hear from you in the near future.

With very best wishes.

Sincerely yours,

PS: I would deeply appreciate it if you will send me listings of the LUX RADIO THEATRE'S, SCREEN GUILD SHOWS, if at all possible. John Dunning has told me that you have at least 75 BILL STERN SHOWS. These I would like to have first if you agree to a trade.
